Dear Editor

As a responsible dog owner it distresses me that there are people who do not clear up the mess left by their animals. This is particularly unacceptable on the school playing field where groups of people gather together and chat (while their dogs do their own thing) instead of taking them for a decent walk. Unfortunately this will never be entirely resolved but perhaps if there was a ruling that all dogs should be kept on a lead within the village the problem might be reduced.

Jill Smith

Dear Editor

I should like through the BHN, to offer my congratulations to Andrew Easter who lives in Bar Hill. Andrew, exceeded his employer's expectations as an apprentice motor mechanic and now runs his own car valeting business despite living with cerebral palsy. His dedication and commitment to improving his life through learning has been rewarded with a Learning Works Award presented on Monday May 14th at the Queen Elizabeth II Conference Centre in Westminster, as part of Adult Learners' Week. Andrew joined Andy's Ark, a local garage as an apprentice motor mechanic, he attended Huntingdon Regional College, he achieved NVQ Levels 1, 2 and 3 in Light Motor Vehicle Mechanics and also learned to drive a manual car. Andrew's determination to succeed has shown what can be achieved and I would like to wish him the very best of luck for what will, I am sure, be a successful future.

Bunty Waters

What an inspiring story - many congratulations to Andrew! Editor

REPORT FROM COUNTY COUNCILLOR JOHN REYNOLDS

FOSTERING CARE FOR CHILDREN AND YOUNG PEOPLE IN CAMBRIDGESHIRE

Cambridgeshire's foster carers look after children who, for a variety of reasons, are unable to live with their birth families. These reasons can range from a family member's short-term illness to a parent's mental health problems or drug and alcohol abuse. Many children have been neglected or suffered another form of abuse. Carers provide children with a stable, supportive and loving home and are responsible for their day-to-day care. They may also have to help children come to terms with difficult or traumatic experiences. Experienced social workers are available to offer support and training to all carers.

Anyone who would like more information about becoming a foster carer can contact Cambridgeshire County Council's Fostering and Adoption service on 0800 052 0078 or log onto the parenting pages of Cambridgeshire County Council's website at: www.cambridgeshire.gov.uk/childrenandfamilies/Parenting

NEW MUSICAL OPPORTUNITIES FOR YOUNG PEOPLE IN CAMBRIDGESHIRE

New musical opportunities for children and young people will be created following the announcement that a new music education hub will be formed in Cambridgeshire. The Council has been asked to develop the new hub with partners - ranging from individual musicians, local ensembles and national organisations. This will enable teachers and musicians to draw on a wide range of expertise and ideas to design, facilitate and support musical opportunities for young people, both in and out of school.

BORROWING MONEY FROM ILLEGAL MONEY LENDERS

If you are having financial difficulties or wish to borrow money quickly, it may be tempting to borrow money from illegal money lenders, known as 'loan sharks', who lend cash without asking questions about your financial situation. Trading Standards urge you to avoid such lenders and assure you that there are safe, reliable lenders that you can use.

Luckily there are safe places you can borrow money from, even if you have financial difficulties. These lenders stick to the law, make it clear from the start the total amount you will need to repay and collect your repayments in a lawful way. Your local Citizens Advice Bureau (CAB) can advise you which lenders are most suitable for you. You can find your nearest Bureau by visiting www.citizensadvice.org.uk or by calling 08444 111 444.

If you know of any loan sharks operating in the area, the England Illegal Money Lending Team wants to hear from you. Call 0300 555 2222, text 'loan shark + a message' to 60003 or email reportaloanshark@stoploansharks.gov.uk. Lines are open 24/7 and your details will be kept confidential.

If you already owe money to a loan shark the Illegal Money Lending team can offer advice and support. So don't suffer in silence, contact the team using the details above.

BROADBAND FOR CAMBRIDGE

A major campaign launched on Tuesday May 8 is urging residents and businesses to do their bit to help secure superfast broadband for Cambridgeshire and Peterborough.

The more people that register the fact they want superfast broadband the more chance of it being delivered. People can click on the link on the new www.connectingcambridgeshire.co.uk website to show their support.

The major campaign to Get Cambridgeshire Connected with better broadband for homes and businesses will be launched countywide as the website goes live.

Householders and businesses can register their demand for broadband in minutes with just a postcode and landline phone number.

PARISH PLAN

The Parish Council is looking for people to join a group to produce a parish plan. This is something which the Parish Council is being asked by South Cambs District Council to produce. **It will enable residents to influence what happens in Bar Hill and how it can develop for the future.** THIS IS NOT ABOUT MONEY – it is about ideas. How would you like to see the village develop? What extra amenities would you like to see? What would you especially like to keep – this could be buildings, trees, facilities.

I will lead this group but I do need the input from residents. Are you a person bursting with ideas but no outlet for them? Come and join me. We can meet in the Parish Council Office at a mutually convenient time. Please contact me if you are interested.

BUS TIME TABLE CHANGES - OPPORTUNITY FOR BAR HILL RESIDENTS TO USE THE GUIDED BUS

As from 10 June 2012 there are slight changes to the bus timetable for Bar Hill to Cambridge and return.

The **hourly service**, which at present comes to Bar Hill and then runs through the villages to St Ives will, from 10 June, go to the Park and Ride guided bus stop at Longstanton (giving Bar Hill residents the opportunity to use the guided bus), and instead of going to St Ives it will terminate at Swavesey High Street (the exceptions being the 7.51 and 8.51 (pm) which will terminate at Fenstanton Clock Tower).

The **hourly** bus will travel from Cambridge and arrive at Tesco's at 41 minutes past 7 in the morning and thereafter at 51 minutes past each hour, the last bus being 51 minutes past 6 in the evening. Those buses will arrive at Longstanton Park and Ride at 7.59 am, then at 9.09 and thereafter at 9 minutes past each hour until 7.09 pm.

The **hourly** bus will leave Longstanton Park and Ride to come to Bar Hill at 42 minutes past 6 in the morning, and at 42 minutes past each hour until 42 minutes past 5 in the evening.

The Citi 5 **Monday to Saturday** will be the same as at present with the following exceptions in the evening service:

Cambridge to Bar Hill (Tesco's) - after 1830, the times will be 1856 then hourly until 2256 (the last bus).

Bar Hill (Tesco's) to Cambridge - after 1831, the times will be: 1919 then hourly until 2219 (the last bus)

these evening buses will not go to Oakington and Girton.

The timetable for the **Sunday service** has changed slightly - the normal Citi 5 bus will leave Tesco's for Cambridge at 9.19 am, and every hour until 5.19 pm, and will leave Cambridge for Bar Hill at 9.56 am and every hour until 5.56 pm. The route will be along the Huntingdon Road and the bus will not go to Oakington or Girton.

For full timetable - phone Stagecoach or go on their website.

ROYAL BRITISH LEGION

At the end of last month some members attended a concert in Over Church. The Band comprised members of the Minden Band and members of the Band of The Parachute Regiment.

Over the last few years the number of ladies in the Bands has increased. At this Concert it was about 30%.

The following day we were again at Over Church for the Dedication of Over Branch's new Standard at a church service followed by an excellent afternoon tea.

CRICKET CLUB

Well, the first article of the season should be packed with tales of heroic feats and magnificent victories . . . if we had played any matches!

At the time of writing, 10 club matches out of 10 had been cancelled due to either rain or waterlogged pitches, affecting pre-season friendlies, adult league games, under-12's and the new midweek team. By the time you are reading this, we may have finally put in an appearance, though we're not holding our breath!

There is a lot to look forward to when we do finally take the field, including a first for the club – **fancy-dress cricket.**

The Dobblers are our guests on June 17 for what should be a colourful match.

We will also **remember Fred Styles with a memorial match on Bank Holiday Monday, June 4,** when we will take on the Sports & Social Club for a new trophy in Fred's name. This will become an annual match.

Meanwhile, Tuesday night sessions have continued for the **under-12's** – though adults who want a bit of extra practice are also welcome.

We are still looking for more members – boys or girls – for our under-12 squad. No experience is necessary and all equipment is provided. Just turn up at the village green on Tuesday at 6.30 pm (sessions run until 8 pm), or call me on the number below for more information. There is a membership fee of £10 for juniors, but no other charges will be made during the season.

We would also welcome any new adult members, regardless of age, gender and level of experience. For more information, please contact me on the number below. We have no adult membership fees, and only charge match fees.

Much more about the club can be found on our website at **www.barhillcricket.org.uk** or on our noticeboard in the Social Club.

BAR HILL COLTS F.C

Well another season has come and finished with a successful end of season presentation – details and photos will appear next month.

Some of the teams will take a break and before you know it, cricket season will be coming to an end and the teams will need to be ready to start again in early September.

UNDER 14s AT CAMBRIDGE STADIUM

The highlight of the Bar Hill U14 season was when they were selected to play in a memorial match against local rivals Swavesey

A lively start to the game saw **Adam Loraine** slotting home after just 5 minutes.A second was soon added when **Daniel Marsh** scored direct from a free kick

Good midfield play from captain **Taylor Sparkes** allowed **Jake Ellis-Lipschitz** shot to be deflected home for the third goal.

Swavesey countered and applied some direct pressure on our goalie **Jacob Compton** who saved a great long range shot.

A fourth goal was added before half time following good work from **Elliot Heeks** who set up **Charlie Cousins** to score.

The half finished with Swavesey surging forward and it took some brilliant defending from **James Darling** and **Christian Marin** to stop them from getting through.

The second half saw Swavesey start to apply a little bit more pressure but **Matthew Daines** and **Robbie Reader** showed determination to keep the opposition from scoring.

Defensively sound, the team continued to attack with dominant play from **Adam Cheesley, Henry Rogan** and **Jack Humphreys** setting up and almost adding to the teams tally.

Jake was given Man of the Match by the officials, well deserved, but it was a complete team effort showing what this team can really achieve

Well done Rob's Blue and White Army

UNDER 14s AT ABBEY STADIUM

Our under 14s acted as ball boys for the game of Cambridge United home grown talent against West Ham United reserves at the R Costings Abbey Stadium on 24 April in front of a crowd of 2,400

Well done boys

LITTER PICKING IN THE VILLAGE

A busy month for the under 14s was completed when they, together with some under 13s, spent some of their time helping pick litter in the Village

Thanks to all 20 boys and parents who helped during the morning

YOUNG LEADER

We are pleased to say that **Hayley Stevens** has been selected to represent Cambridgeshire FA at the National Young Leaders Camp in Hereford.

Hayley, who plays for the Under 16 Saphires team, has been involved with our County FA as a Young Leader since 2009 and has attended many training courses and helped at various tournaments and events

The camp is organised by The FA and all counties are invited to send two young leaders, one male, one female, from the County FA group . The highlights from last year's camp included insights from senior FA staff, Premiership Referees, Skills coaches and seeing demonstrations from a senior England Blind player and coach.

This is a wonderful opportunity for anyone that wants to be involved in football. Hayley will be the third player from our Club in the last 5 years that has been chosen to represent our County.

LIONS ROAR IN FRIENDLIES

The youngest members of our Club are making real progress, creating friendships, learning new skills and having fun playing football

Prior to the middle of April, the Lions played 2 friendly games. The first against Teversh[illegible] they worked together and were able to sh[illegible] off their skills learnt at training.

The second friendly was a fantastic win with great effort, good attitude and respect

The season ahead should be an exciting one for these youngsters.

Thank You Ric

Those of you that are regular visitors to our website (www.barhillcolts.co.uk) will have seen some truly excellent photographs that showcases all that is good about the teams within Bar Hill Colts Football Club.

The photos that appear on the website is the work of Ric Pimentel and on behalf of the Cub, I would like to offer my sincere thanks to Ric for doing this for us. The team photos will soon be on display in the Sports & Social Club.

FRIENDS OF BAR HILL LIBRARY
Our events this summer

Village Fête: The Friends will be running a second-hand bookstall at the Village Fête in July. In case you are wondering, we shall not be selling library books, but books donated to the Library. Many of those go onto the shelves. Those that are not needed for stock come to us to build up our funds, which are used to help the Library. Please may we encourage you to let the Library staff have your unwanted books, especially modern novels.

Visiting speaker: Our visiting speaker for this summer will be Philip Whates, the head gardener at Wimpole Hall. Make a note of the date so you don't miss this opportunity to find out about what goes on behind the scenes at this local National Trust property. He will be with us on the afternoon of 19 July. See next month's *Bar Hill News* for details.

Coffee mornings: The next two coffee mornings will be on 7 June and 5 July in the Library, starting at 10 am as usual. In recent months we have had a very encouraging turn-out . Do keep coming. We shall continue throughout the summer on the first Thursday of the month.

HELP ME TO RAISE FUNDS FOR A GOOD CAUSE

In the autumn I intend to apply for a place as a General Course Volunteer on the Ski Course in January 2013 with

Transforming lives after spinal cord injury

The volunteer places cost £1,000 each and with spending money I need to raise £1,500 to be able to afford to apply for a place. The places are limited, so if I am not selected this round, I'll apply again next year. The money I raise will be used for Back Up.
To raise the money I have been selling items on eBay at http://shop.ebay.co.uk/nikkwilliams/m.html Please take a look and make a bid.

Is there a chore I could help you with in exchange for a donation to my fundraising?
Would you like to order a rich fruit cake or a large madeira cake for an upcoming celebration?

Please get in touch to discuss how you would like to help me in my fundraising efforts.

Kindest regards

With changes to the jukebox speaker system the Lounge bar is now a good place to enjoy a quiet drink. Pop in and take a look.

CALL FOR SOCIAL CARE REFORM

There is a clear and urgent need for the reform of the funding arrangements for social care. Nationally and locally, adult social care systems are under enormous pressure from demographic change. There is a general consensus that the need for reform has been clear for the last decade. The current government now has to address both major economic problems and create a sustainable adult social care system. Although this is now much more difficult, I do urge the Government to grasp this issue and reform the funding arrangements for adult social care.

The recommendations of the Dilnot Commission have much to recommend them and I personally think that the idea of a cap of £35,000 on contributions to social care is a good one. However, this would have to be implemented as a part of the wider reform of funding arrangements, for which there is a pressing need.

John Reynolds - County Councillor.

Neighbourhood Watch

Are you aware that car number plate theft appears to be an increasing problem, with stolen plates possibly being used by individuals to get away with offences such as:

- ☹ speeding or illegal parking
- ☹ not paying congestion charges
- ☹ driving off without paying for petrol
- ☹ disguising a stolen vehicle.

There are various steps you can take to try to avoid being a victim:

- ☺ park in a light place, preferably on your drive way where a security light will come on when someone approaches.
- ☺ park with front or rear plate close to a wall or other solid object.
- ☺ have CCTV, real or a dummy.
- ☺ change to anti-theft number plates which break or become unreadable when prised off.
- ☺ pay a few pounds at an auto shop for number plate security screws which break the plate if they are removed.

If you are unlucky enough to have your plates stolen please report this to the police (dial 101). If you subsequently receive fines or correspondence you should return them to the issuing authority with an explanation and any documentary evidence. For more information see www.direct.gov.uk/vehiclecrime

As ever, please be aware of what is happening around you and report suspicious activity to the police (dial 101, or 999 if a crime is in progress).

Action on Local Flooding

With the very wet period we have recently experienced, residents will have been thinking about the prospects of some homes in low lying areas being flooded, as has happened in previous periods of very heavy rain.

In 2007 Sir Michael Pitt produced a report for Government on how much better prepared all local Authorities can be to prevent flooding. The recommendations of the report were accepted and recently became law. They placed on the County Council a lead role to tackle local sources for flood risk, with partners i.e. the Environment Agency, Anglian Water, District Councils, Land owners and Inland Drainage Boards, but no funding was provided.

Areas at risk have been identified, plans agreed and funding sought. Areas at risk include in the Cambridge area:- Cherry Hinton, Kings Hedges, Arbury, North Chesterton, Histon and Impington, Girton,

Additionally if local flooding to property is likely to occur the council can and have taken direct emergency measures to prevent flooding. This recently occurred when 10 properties were at risk of immediate flooding. The County Council organised equipment to reduce the water flow and unblock the offending drain.

More detailed information can be found on the County Council website

HAPPY HOURS – NEWSLETTER

We have continued with our monthly Keep-Fit and Bingo sessions as well as our games. A lot of our members recently attended the Doctor's session on "Memory" and it is gratifying to see we are doing the things they recommend: playing games like Scrabble, socialising, exercising, which are all things we try to do at the Club.

A few of our members went on a "Fen Tour" with Mike Petty from the Cambridge News as guide. What a mine of information he was with all things, fens and "islands" with the fens, how they drained them and all the river flows. Having visited villages and areas not heard of, plus Denver and Denver Windmill for coffee, we finished at Littleport for a lovely roast meal. If you ever get the chance this is strongly recommended for the local area history.

Our Speaker this month was Barry Kaufmann-Wright, Nature through the Eye of the Camera. A larger than life character who is an ex Policeman and he talked to us about the crimes committed on animals and the preservation of endangered species. He covered areas of dog baiting, hare coursing, owls and bats and people who just could not cope with a large number of pets. A very informative and interesting speaker who also brought in lovely cards he made from superb photos and books.

RADSOC

Swavesey RADSOC presents
Last Tango in Little Grimley
a comedy in one act by David Tristram
at **The Octagon, Bar Hill**
on Friday 22 June at 8 pm

"The local amateur drama club is in crisis! Membership has dwindled, their last play attracted a total audience of 17 over three nights – all of them friends and relations – and their landlord is seeking back rent of £400, which is more than the losses the group made in the whole of the last three seasons. It's one last blast to keep afloat. What will pack them in? "Sex" says the chairman, who announces he has written a play to fit the bill. With a membership of 4, what can we expect??"

Tickets £3.50, to include tea, coffee and homemade cakes after the show
available online from www.swaveseyradsoc.org
or by telephoning the Box Office on 07504 552870
Please note: this play is not recommended for under 12's

Have you ever thought you'd like to take part in amateur drama? If so, there are several local groups who would make you very welcome! Come and see our play, and then talk to the cast and crew afterwards over tea, coffee and cake, to find out what we do. Alternatively, if you just want an enjoyable evening's entertainment, we promise not to harangue you! Either way, we look forward to seeing you.

We have two settings in the village located at the Village Hall Centre and Church Centre. Both Pre School settings have bright and airy rooms, both gardens are fully secure and enclosed. We provide safe, secure, independent learning environments for children aged 2-5 years.

Our ethos is to ensure a high quality of care and education by focussing on each individual child's ability, interests and we encourage their development throughout the Early Years Foundation stage.

Our key person and buddy system enables our Early Years team to meet the needs of individuals through planning child focussed next steps.

We have a snack bar where all children in turn prepare a variety of healthy balanced foods for themselves and peers twice a day.

Snack times help children to develop independence through preparing, making choices, serving food and refreshments.

We pride ourselves in providing outstanding Parental/ Carer partnership and use communication diaries to encourage working together.
